

## GENERAL INFORMATION

### Course Description:

This course will prepare the dental hygienist to become a highly skilled restorative clinician who can work effectively as a member of a dental treatment team, by applying the knowledge and skills attained in both the pre-clinical and the clinical sessions to deliver quality restorative care to patients. The course consists of a minimum 6 weeks of self-study prior to the 3-week module. Examination of didactic material will occur (passing grade: 70%), as well as competency evaluation of clinical skills. This course is recognized by the following provincial licensing authorities: AB, SK, MB, ONT, N.S. A maximum of 10 participants only is accepted each year.

Duration:           - Minimum 6 weeks self-study  
                          - 1 week preclinical  
                          - 2 weeks clinical

### Course Requirements:

Participants must be graduates of an accredited Dental Hygiene Program and hold current licensure in their province. Participants must also hold a current certification in CPR (Basic Rescuer Level), and hold current malpractice insurance. A minimum of three years practice experience is also required.

Proof of all the above credentials MUST accompany the registration form and initial deposit.

### Required Textbooks:

1. \*Dental Materials, Clinical Applications for Dental Assistants and Dental Hygienists (Hatrack, Eakle, Bird)
  2. \*\*Restorative Techniques for Dental Hygienists-Laboratory Manual (Dr. Tana Gilmartin)
- \* Textbook is available at the University of Manitoba Health Sciences bookstore (Brodie Centre) 727 McDermot Avenue. (Open Monday to Friday From 9:00-5:00 pm and Saturday from 12:00-4:00pm).  
Tel: (204) 789-3601  
Fax: (204) 789-3901  
E-mail: medbookstore@umanitoba.ca
- \*\* Laboratory Manual will be shipped with other materials

### Registration Information and Cost:

Cost of the Restorative Module is a total of \$3500 which covers the rental of dentofoms, instruments, hand pieces, prepped teeth and other laboratory consumables. A \$250.00 non-refundable deposit is required by the January 9<sup>th</sup>, 2012 deadline with the remaining \$3250.00 required by May 1<sup>st</sup>, 2012. Participants are expected to have studied the textbook and manual and to have restored the prepared teeth sent to them, using their office armamentarium and supplies. These teeth are to be handed in for evaluation on the first day of arrival. A written and clinical exam will be given during the first week of the module following a review of the didactic materials.

## Course Coordinator:

### **Dr. Tana W. Gilmartin, DMD**

Dr. Gilmartin graduated from the Faculty of Dentistry, University of Manitoba in 1985. She is currently a part-time sessional and clinical instructor with the Department of Restorative Dentistry at the University of Manitoba. In addition, Dr. Gilmartin spends time in private practice and volunteers at Siloam Mission's dental clinic.

## Course Facilitator:

### **Mrs. Diane Girardin, RDH, EP**

Mrs. Girardin is a graduate of the School of Dental Hygiene, University of Manitoba and has over 35 years of practice experience in preventive, orthodontic and restorative techniques. She has 18 years of clinical teaching and is, at present, the Clinic Coordinator for the senior class and course coordinator for the Pain Management Course. In addition, Mrs. Girardin is the course facilitator and lecturer for the Restorative Module for Dental Hygienists.

**For further information regarding this course, contact Diane Girardin at [girardin@cc.umanitoba.ca](mailto:girardin@cc.umanitoba.ca)**
