CANDIDATE – CDHM – 2018/2019 Election

Saima Klippenstein

Statement of Intent

I am seeking election to council to further my knowledge and understanding of the Dental Hygiene ACT, Regulations, Bylaws and Practice Standards for dental hygiene in Manitoba. Over the last term, I had the privilege to participate in committee work and I would welcome the opportunity to continue serving the public on council. As a rural dweller, I would like to draw attention to rural Manitobans face regarding dental hygiene care. Through a greater understanding and active participation, I am hoping to grow professionally as well as an agent of change in our evolving profession.
